-

4

Electrical system

ASPEN

Install the Main Distribution Board cabinet

Electrical transformer installation work

Electrical system inspection and maintenance work

Electrical conduit and lighting installation work

5

ASPEN

Machinery for industrial work

Insulation Cladding and Insulation Pillow

Aluminum jacket plate installation work

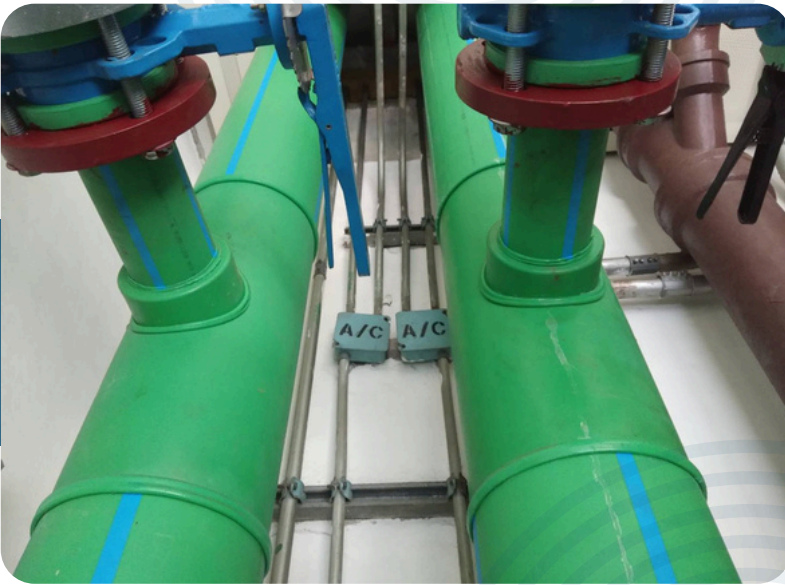

Thermal insulation installation work

Pillow cover work

Stainless steel, Black steel pipe, PPR, HDPE, PVC water pipe system

Work to replace old PPR water pipes and make a new system in the building.

8

ASPEN

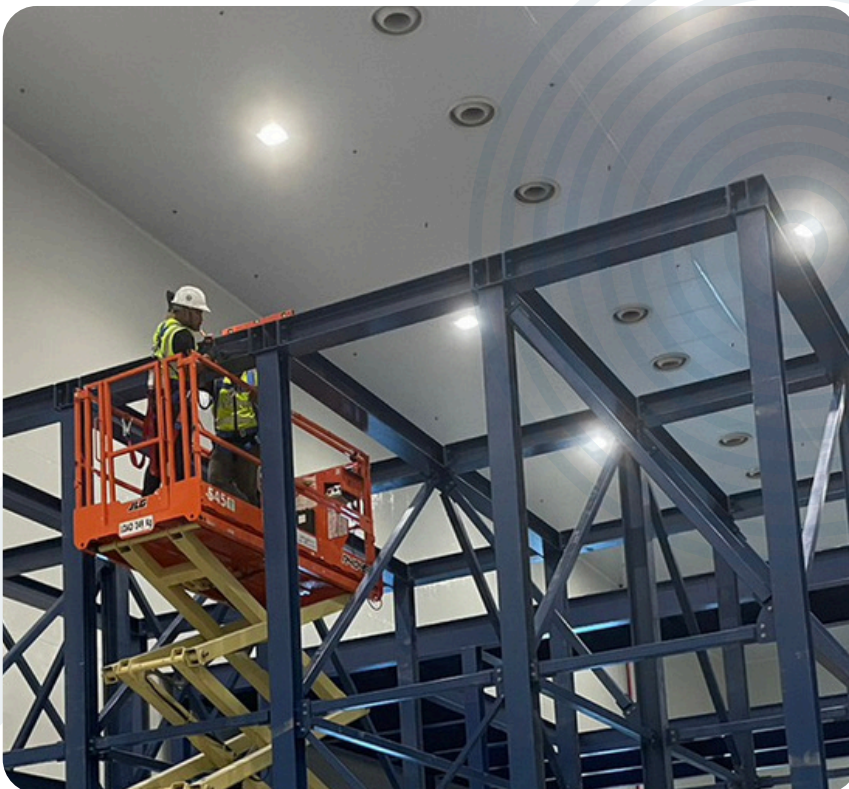

Steel structural system

Platform

Stack shaft

Installation and structural assembly work

Renovation work with in buildings and offices

Bathroom renovation work, removing old items and installing new, quality equipment.

Office renovation design work With built-in furniture

Renovation of room dividers and replacement of office floors

Fire extinguishing system

Fire pump system installation work

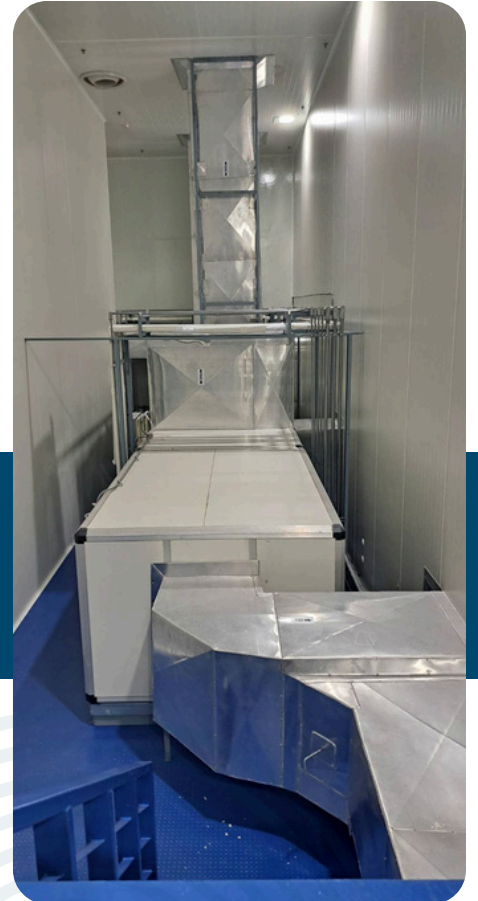

Sprinkler installation work in buildings

Fire extinguishing system installation work

Air conditioning system

AHU system work

Desing & install air conditioning systems.

AHU for clean room (CLEAN ROOM)

AIR HANDLING UNIT & CONTROLLER

The Manufacturer, designer and installer of ready-made insulation panels (Sandwich Panel)

Clean room work

LAB room installation work

Isowall installation work

Project Reference

PTT Public Company Limited Amazon Wang Noi

Work : Intallation Machinery system

Amount (Bath) : 5,000,000.00

PTT Public Company Limited Head Office

Work : Air condition system

Amount (Bath) : 9,000,000.00

Three Bond Company Limited

Work : Chiller Carrier & Split Type

Amount (Bath) : 17,000,000.00

Building 253 Asoke

Work : Bathroom renovation work on 15 floors

Amount (Bath) : 12,750,000.00

Jubilee Enterprise Public Company Limited

Work : Bathroom renovation work on 15 floors

Amount (Bath) : 5,700,000.00

Project Reference

PTT Public Company Limited Amazon Wang Noi

Work : Intallation Machinery system

Amount (Bath) : 33,200,000.00

Chulabhorn Research Center

Work : Clean Room 100,000 Modify AHU Electrical System

Amount (Bath) : 3,850,000.00

ADB OFFICE CENTRAL WORD

Work : Air conditioning System & Electrical System

Amount (Bath) : 1,500,000.00

Wildlife Justice Commission Foundation

**Work : Improvement work and decorate the space
within the office**

Amount (Bath) : 1,200,000.00

Fitnessfirst Q house sathon

Work : Electrical System

Amount (Bath) : 12,750,000.00
